

## Quick. Smart. Convenient.

### Online Advantage for Members

Briana Lewis  
Customer Advocacy, Team Lead

Is it important for you to be able to manage your dental and/or vision care online, on your schedule?

If the answer is yes, we are confident Online Advantage is the right tool for you.

#### What is Online Advantage?

Online Advantage is a tool that allows you immediate access to your plan information. We built Online Advantage for you, our user. It gives you the power to manage your dental and vision care on your terms, at your convenience at no additional charge.

#### Easy Registration - *Sign up today!*

- 1 Go to [www.assurantemployeebenefits.com](http://www.assurantemployeebenefits.com)
- 2 Under Resources, go to “Login to Online Advantage”
- 3 All you need to register is your Member ID\* and date of birth

\*Your member ID may be your social security number.

## How can Online Advantage help you?

### You can:

- Print your *personalized Dental ID card*
- Find a *vision or dental network provider and/or specialist*
- Access our Dental Health Center where you can *ask a dentist a question, estimate the cost of service or learn about dental issues*

### By providing:

- Your *eligibility and benefit details*
- The status of *your claims and a copy of your claim details*
- Online support with a *friendly, dedicated team willing to assist you online or by phone*

***Give Online Advantage a try, register today!***

For more information or to register by phone call 800.733.7879 extension 7600.
