EMPLOYEE FITNESS REIMBURSEMENT PROGRAM

Effective October 19, 2020

1. I understand that I am eligible for reimbursement of my membership at the Frisco Athletic Center (FAC) as long as I am employed by the City of Frisco. (City of Frisco employees are eligible for the Resident Monthly Auto-Draft fee even if they do not reside within city limits.)
2. I understand that I must work out at the FAC at least 8 times in a calendar month to be eligible for reimbursement of my monthly membership fee. I understand that if I scan my card and immediately leave without using the facility, I can and will be disqualified from participating in this reimbursement program. (If you need to leave immediately, notify and talk to front desk staff so they can ensure the scan is not credited.)
3. I understand that I must swipe my FAC ID upon arrival to receive credit for that workout. Furthermore, I understand that I will receive credit for only one swipe per day.
4. I understand that my reimbursement will be based on the membership that I purchase and only my fee will be eligible for reimbursement as follows:

5. I understand that if there is a dispute about the number of scans on my card per month, I will need to talk to a manager on duty or a customer service representative. FAC staff will send notice of a scan discrepancy to HR.
