

FOR IMMEDIATE RELEASE

Five COVID-19 Deaths and 165 New COVID-19 Cases in Denton County

November 29, 2021 – Denton County Public Health (DCPH) announced five Denton County community members died as a result of COVID-19, bringing the total to 743 deaths due to COVID-19 in Denton County. Today's reported COVID-19 deaths include:

- A male in his 50s who was a resident of Frisco
- A male in his 50s who was a resident of Pilot Point
- A female in her 70s who was a resident of unincorporated southeast Denton County
- A female in her 50s who was a resident of Carrollton
- A female in her 70s who was a resident of Frisco

“As we announce the death of five community members due to COVID-19, please keep their family in your thoughts and prayers,” stated Denton County Judge Andy Eads. “With this recent uptick in COVID-19 hospitalizations, we hope community members will get vaccinated, as vaccination remains the best way to reduce the risk of COVID-19 hospitalization and death. And, during the holidays, we hope you will take the recommended precautions to keep you and your family safe.”

Actual dates of death can be released several days to several months after the date of death, due to various reporting agencies and medical records review. Please visit dentoncounty.gov/COVIDstats for an in-depth chart displaying dates of death and date of DCPH report.

DCPH also announced 165 new cases of COVID-19 in Denton County, of which 153 are active cases. This increases the cumulative, countywide total to 110,758 COVID-19 cases. DCPH also reported 918 newly recovered cases of COVID-19, increasing the countywide recovery total to 104,614.

To minimize spread of COVID-19, DCPH urges all unvaccinated community members to:

- Maintain at least six feet of physical distance in public settings and when around individuals outside of the household
- Wear masks or face coverings, which should cover both the nose and mouth, in public settings and when around individuals outside of the household
- Wash and/or sanitize hands frequently
- Stay home if you are symptomatic, have recently had close contact with a person with COVID-19, or are awaiting COVID-19 test results
- If you are 5 years old or over, get your COVID-19 vaccine

If you are fully vaccinated, CDC recommends mask use in public indoor spaces.

If you are moderately to severely immunocompromised, please consider an additional dose of mRNA vaccine after your initial two doses.

For local COVID-19 vaccine information, including booster and third doses, visit dentoncounty.gov/COVID19vaccine. For additional COVID-19 data including active case information by municipality, hospital capacity, and ventilator utilization, visit dentoncounty.gov/COVIDstats. For information regarding DCPH's upcoming testing centers, please visit dentoncounty.gov/COVID19testing.
