

2023

WELLNESS PROGRAM DESIGN

Program Year: Nov. 1, 2022, to Oct. 31, 2023
Available to all medically enrolled employees

Employees hired between Sept. 2, 2022, and Sept. 1, 2023, are considered new hires. New hire City benefits are effective between Nov. 1, 2022, and Oct. 1, 2023.

2023 (Current Year) Incentives for New Hires Only

- You are grandfathered for the 2023 healthy measures premium incentive, which means you pay \$20 less for medical premiums.
- If you tested cotinine-free during your pre-employment screening, you earned the \$45 tobacco-free premium Incentive. If you tested positive for cotinine, you could still earn the tobacco-free incentive by completing the Tobacco-Free Me program; the deadline applies.
- You can earn 2023 health reimbursement account (HRA) dollars by completing a biometric screening before Oct. 31, 2023.

Note: The biometric screening you complete will count toward earning the pro-rated 2023 HRA dollars listed below and 2024 healthy measures premium incentive and 2024 HRA dollars. You must meet the 2023 program requirements to earn the 2024 incentives.

2023 HRA Dollars

Benefits effective between Nov. 1, 2022, and March 1, 2023	\$500 for your 2023 HRA account
Benefits effective between April 1, 2023, and Oct. 1, 2023	\$300 for your 2023 HRA account

Earn Your 2024 Healthy Measures Premium Incentive: \$20/Paycheck

Step 1. Complete a biometric screening – two options are available below.

- Visit the Employee Wellness Center. Go online to www.mypremisehealth.com to create an account and schedule an appointment with the facility.
- Visit your primary care physician and complete the Asset Health physician form found in the Forms section of your Asset Health portal.

**Biometrics completed Nov. 1, 2022, to Oct. 31, 2023, will be accepted.*

Step 2. Meet three out of five of the below health measures.

- You may submit up to two screenings per wellness program year. The second screening results will replace the first screening for all health measures.

Health Measures

Waist Circumference	Blood Pressure	Fasting Glucose	HDL Cholesterol	Triglycerides
Male: < 40", Female: < 35" or BMI ≤ 25	≤ 130/85 mmHg	< 110 mg/dL or A1c < 5.7%	Male: ≥ 40 mg/dL Female: ≥ 50 mg/dL	< 150 mg/dL

Healthy Measures Reasonable Alternative:

- If you are unable to meet three of the five health measures, you must complete a reasonable alternative standard (RAS). See the RAS program information on the Asset Health portal and follow the steps outlined in your Incentive Progress on the Asset Health homepage for completing the RAS.

Earn Your Cotinine/Tobacco-Free Incentive: \$45/Paycheck

- If you tested negative for cotinine /tobacco as part of your pre-employment screening, you earned the tobacco-free premium incentive. If you tested positive for tobacco, you can complete the *Tobacco Free-Me* program as a reasonable alternative to earn the incentive; deadlines apply.

Earn Your 2024 HRA Dollars: \$800 Maximum

- Earn \$100 for your HRA for each health measure you meet, up to a \$500 maximum from your biometric results. Earn an additional \$300 by completing additional activities offered through the Asset Health portal through Oct. 31, 2023. In total, you can potentially earn a maximum of \$800 for your HRA, which is deposited into your Cigna HRA account on Jan. 1, 2024.

Additional Activity Options

Activity	Dollars per Activity	Max
Health Assessment	\$25	\$25
