YARD WASTE

Yard trimmings should not be placed in the trash or recycling cart. This material is turned into compost saving disposal charges and landfill space.

Household trash, dirt, soil, sod, and pet waste are not acceptable yard waste materials. Failure to comply with these guidelines will result in a non-collection.

- 1- Put grass, leaves, weeds, and small brush in paper lawn bags available for purchase at local hardware and grocery stores. Do not use plastic bags.
- 2- Bundle and tie tree limbs in 3 foot lengths, not to exceed 30 lbs.
- 3- Place bags and bundles out on your regular collection day at least 3 feet away from carts.

About Your Services

Community Waste Disposal (C.W.D.), (972) 392-9300, provides residential curbside trash, recycling, and yard trimmings recycling collection services. Trash and recycling services are provided one time per week.

- ✓ Report service problems, missed pick-ups, broken or damaged carts to Environmental Services at (972) 292-5900 or EnvironmentalServices@FriscoTexas.gov.
- ✓ Carts are the property of C.W.D. Write your address in permanent marker on the side of the carts. For carts stolen, damaged due to improper use, or missing, residents will incur a charge.
- ✓ Read and comply with "red tags" left on your cart. Tags advise of a problem or concern and assist C.W.D. in providing service, safely.
- ✓ All trash and recycling must be placed inside respective carts. Items outside of carts are not collected (excluding yard waste items.)
- ✓ For elderly or physically challenged residents, special consideration and assistance may be given by contacting Environmental Services.
- ✓ Additional carts are available. A monthly charge will be applied for each extra trash cart. There is no monthly fee for extra recycling carts. A delivery fee is applicable for each additional trash cart. Contact Environmental Services to order.
- ✓ As a reminder, the trash and recycling trucks operate using an automated system and drivers do not leave their trucks. Please make sure all bags fit firmly into your carts and lids are closed completely. Failure to comply with the set-out guidelines will result in a non-collection and a charge added to the next Frisco utility bill.

Trash, recycling, and yard trimming recycling are picked up once a week on the same day. Collections include all household, non-hazardous waste placed in your trash cart; acceptable recyclable in your recycling cart, and yard waste in city approved, biodegradable paper bags.

Set-Out Guidelines

- 1 Place carts out before 7 am on your service day.
- 2 Use the gray cart for trash. Bag all trash before placing in cart.
- 3 Use the blue cart to recycle items identified on lid. No trash accepted. No need to separate recycling items.
- 4 Cart lids must be closed.
- 5 Do not put yard trimmings, dirt, soil, concrete, construction debris, hot ashes, or household chemical waste such as paints, pesticides and chemicals in the carts.
- 6 Place carts at least 3 feet apart, and 3 feet away from all obstructions (ex: fences, vehicles, utility meters, mailboxes).
- 7 Read directions on lid for correct placement and service requirements.
- 8 Retrieve carts after service to prevent theft or vandalism.

Extra Item Collections

To schedule a collection, please contact Environmental Services before noon Friday of your service week. To find your area's bulk collection day, go to Maps.FriscoTexas.gov. Special collections, outside a designated free Saturday, will be subject to a fee.

Acceptable items include most items too large to fit in the trash cart i.e. couch, table, chair. No bagged or boxed trash is accepted. Service limited to three items per month. Unacceptable items include construction debris, household chemical waste, and yard trimmings.

METAL & APPLIANCE RECYCLING

A pickup charge applies for this Thursday collection. Contact Environmental Services before noon on Wednesday to schedule an appointment for that week. Acceptable items include grills (free of propane tank), basketball poles (detached from base), dryers, lawn mowers (free of gas and oil), water heaters, washers, etc.
Refrigerators, freezers, and air conditioners incur a Freon extraction fee.

Free Cardboard Recycling Program

STEP ONE: Contact Environmental Services at (972) 292-5900 to schedule a Saturday collection of your cardboard boxes.

- STEP TWO:** Prepare boxes for your pick-up
- a Remove all contents from boxes.
 - b Flatten, tie, and bundle cardboard into manageable piles not to exceed 30 lbs.
 - c Place out for collection before 7 am at your normal trash and recycling collection spot.
 - d Place packing paper into necessary boxes. Do not use plastic bags.
- *No packing peanuts, Styrofoam, or trash is accepted with this program.

CHRISTMAS TREE RECYCLING

Trees must be cut into sections not to exceed 50 lbs or 4 feet in length. Trees that do not meet these requirements will not be picked up on the regular collection day and will be subject to a fee. Place trees at least 3 feet away from the trash cart on your regular service day. Remove supports, electrical wiring, ornaments, nails, and tinsel. Do not cover tree with a plastic bag. All trees collected are recycled.
Due to chemical coating, flocked trees can not be recycled. C.W.D. can provide collection for a charge per tree. Contact Environmental Services to set up collection of flocked trees.

All charges associated with these services will be added to your next utility bill. Residents must call 24 hours in advance of a collection to cancel otherwise charges will be applied.
