

“What I Do to Green My School” Contest

Frisco’s Environmental Services ran a contest asking our young residents what they do every day to help keep their environment clean and green - starting with their schools! The winners of this contest have been caricaturised and shown in this activity book.

The Environmental Services team would like to thank all the participants in this contest and all of the Green Team members that make Frisco such a clean and green community in which to live.

How do you “Green” your school?
See how many “Green” ideas you can find.

REUSE SCRAP PAPER
RECYCLE PAPER
SANDWICH BOX
CLOTH LUNCH BAG
ALUMINUM BOTTLES

RECYCLE BATTERIES
RECYCLE PLASTIC BAGS
NO PAPER TOWELS
TURN LIGHTS OFF
WALK TO SCHOOL

JOIN GREEN TEAM
ADOPT-A-STREET
REDUCE WASTE
REUSE OFTEN
RECYCLE EVERY DAY

Can you help Elana and Merran teach their Green Teams where their school waste goes?

Follow the maze from the waste item at the top of the page to its proper receptacle at the bottom of the page

 BATTERIES	 PLASTIC BAGS	 PAPER TOWELS	 PAPER
