

Living Legacy Tree Program

This program is designed to allow citizens a way to recognize the accomplishments of an individual or group, celebrate a birthday, anniversary, graduation or memorialize a loved one. A variety of trees are offered that grow well in Frisco. Varieties include: Red Oak, Cedar Elm, Live Oak and Chinese Pistache. Trees may be planted in several locations within our beautiful neighborhood and community parks.

Along with a planted tree, a permanent bronze 6"x6" plaque will be placed at the base of the tree. The cost of each tree, professional planting and permanent placement of the bronze plaque is \$500.

Tree Standards

- Four varieties of tree species are offered that grow well in Frisco, which include: Red Oak, Cedar Elm, Live Oak and Chinese Pistache
- For best possible growth and in accordance to City of Frisco ordinance, the planted tree will be 3" caliper.
- The Frisco Parks & Recreation Department will plant the tree and provide irrigation. Trees will not be planted in areas where irrigation is not available.
- Locations will be selected within the parks which are conducive to the park surroundings and overall design.
- Since trees are living and subject to diseases, weather, etc., the Parks & Recreation Department reserves the right to remove the tree at will.
