

Spread kindness

not the virus

Protect yourself and others by doing these simple things to slow the spread of COVID-19, as recommended by the Centers for Disease Control (CDC):

**Wash hands often
or use sanitizer
(60% alcohol)
in a pinch**

**Governor mandates
masks in public**

GA-29, 7-2-20 – Exceptions include, but not limited to, children under 10; eating, drinking or seated in restaurants; exercising outdoors; swimming; driving with family passengers
EFFECTIVE JULY 3 AT NOON

**Cover
coughs
with tissue
or elbow**

**'Social distance'
at least 6 feet.**

**Avoid touching
your face**
