Using the Rent-A-Bin, this program is intended for extra household trash. This is NOT for demolition, renovation, or any construction debris. Overloading the dumpster past weight or size capacity will result in an extra charge and the renter must unload the dumpster for service, then reload the dumpster. If the truck is unable to service the dumpster due to it being overweight, overflowing, or blocked access to the dumpster, the renter will incur extra fees.

All delinquent accounts will be sent to a collection agency.
