CREWS DEPLOY TO TEXAS PANHANDLE FOR WILDFIRES

(December 11, 2021) The Frisco Fire Department has been requested to respond to the Texas Panhandle (Amarillo) area as a part of the Texas Intrastate Fire Mutual Aid System (TIFMAS). Frisco Fire Department sent one (1) strike team leader/vehicle and four (4) firefighters on a Type III engine, along with crews from Dallas, Little Elm, Lewisville, and Flower Mound as a strike team assisting in a state-wide effort to battle large wildfires.

Crews left from Frisco at 7 p.m., December 10, 2021, and will check in with the Texas A&M Forest Service to receive their assignment throughout their deployment.

Fire crews may be deployed for up to seven (7) days.
