

Healthcare feels different here.

City of Frisco and Premise Health are bringing you a better healthcare experience. You now have access to a wellness center dedicated to you and your needs. Frisco Employee Wellness Center is not open to the public like other community clinics. This leads to a personalized experience, shorter wait times and ultimately, better care.

These are some of the services waiting for you as a member:

- Annual physicals
- Preventive exams
- Condition management
- Biometric screenings
- Lab draws
- Immunizations
- Acute & urgent care
- Women's health
- Pediatric care
