LATERAL PROGRAM PAY ELIGIBILITY REQUIREMENTS

Generally, the following criteria is used to evaluate candidates for lateral pay eligibility.

- » At least two (2) years of continuous service as a full-time, paid peace officer, with a municipality, sheriff’s office or department of public safety within the last 6 months prior to application
- » Multiple agency service time counts if there were no breaks in service between agencies and both agencies meet the lateral pay criteria
- » In cases where there is a break in service, only the most recent agency time will be considered
- » College campus officers, and officers from smaller agencies (60 sworn officers or less and/or servicing a population of less than 30,000) will be evaluated on a case-by-case basis
- » Time spent in field training and the basic police academy is not considered experience when calculating years of service for the lateral program

The Chief of Police can waive these requirements and has final discretion on eligibility into the program

Officers eligible for lateral pay will be notified in the hiring process and their police officer step grade noted on their hiring forms
