Permit No. 1147A Amendment Application Withdrawal Request

Dear Mr. Webb:

The purpose of this letter is to notify the Texas Commission on Environmental Quality (TCEQ) that Exide Technologies wishes to withdraw their application for an amendment to Air Permit No 1147A that requested authorization to increase production at the Frisco Battery Recycling Plant located in Frisco, Texas. Consistent with the provisions of §116.143(2)(A), Exide Technologies requests a refund of one-half of the \$3,000 permit application fee that was submitted with the permit amendment application. Please make the check in the amount of \$1,500 payable to "Exide Technologies", and mail it to the following address:

Mr. James Messer
