

Understanding Your Statement

- 1 Contact Information**  Your bill includes information on how to contact the City of Frisco.
- 2 Account Information** This section details your service address, City of Frisco account number and billing zone your property resides in. Also included is your billing date, service period, last payment date with amount paid and the due date for the current charges.
- 3 Account Activity** Section displays the last bill amount, payment amount and any account adjustments.
- 4 Meter Readings** This section lists your meter number at the property and the previous and current readings. Your usage is calculated by subtracting the current and previous readings. Additionally, the water rate tier information for the usage is displayed. Water usage is shown in gallons.
- 5 Current Charges** This section lists the charges associated with the current service period. The due date for the current charges is again provided.
- 6 Amount Due** This section provides the total for current charges, balance with penalty if current charges are paid after the due date, and information on past due charges. Current charges are due by the due date listed. Failure to pay current charges by the due date will result in a late fee. Past due balances are due immediately.
- 7 Water Usage History – Graph** The graph gives you a brief overview of your water consumption. Usage from the recent service period is displayed along with any other billed consumption in the current year - up to six months. Service period years are shown on the x-axis; usage, in hundreds of gallons, is on the y-axis. An expanded consumption history is available on the reverse of the bill.
- 8 Special Message** This section displays the City's special messages that might include: rate changes, upcoming events, and/or important information regarding your bill and services.
- 9 Coupon** A coupon is provided for your mailed payment. For timely and efficient posting of your payment, it is recommended that you return the payment coupon with your payment.

BILL DESCRIPTION

- Water Fee** - This fee covers the operation and maintenance of the City of Frisco's water infrastructure. The water fee is comprised of a base charge and a volumetric charge. Frisco purchases its water from the North Texas Municipal Water District.
- Sewer Charge** - This fee covers the operation and maintenance of the City of Frisco's sewer infrastructure. Residential sewer rate is based on an average water consumption of the lowest three months of billed water usage from December through March. Commercial sewer is based on actual water consumption.
- Trash and Recycling** - This fee is for Residential Recycling and Trash services, Commercial and Construction recycling and waste services, Environmental Education and Outreach, and Household Hazardous Waste collection and disposal.
- Stormwater Fee** - The stormwater utility fee covers the cost to comply with the federal and state-mandated stormwater regulations.
